

Thank you for your enquiry and welcome to Floral Productions. This information pack is designed to introduce you to the world of flowers and hopefully help in the decision making process. It outlines all of our services, seasonal charts, and both fresh and artificial prices.

Floral Production is situated in Holland Park on Brisbane's Southside. We have over 24 years experience in the floral and retail industries, and have created 1000s of bouquets for brides all over Australia. We have recently expanded our stock to include fresh flowers as well as the amazing 'real touch' variety of artificial flowers, and also have a range of up market artificial flower and crystal look centrepieces for hire as well as floral accessories. We are always expanding our range, so if you can not find what you are looking for, just ask and we will find.

Consultations are by appointment only, with times available Monday to Saturday. If you are from outside the Brisbane area and would like to place an order for our artificial range please email through your requirements. We look forward to speaking with you again soon.
